Hello! My names Mrs. Tymber! I am the teacher for Lessons with Laughter in home Preschool. I am CPR certified, pediatric first aid certified and even have a CNA certification. I've been working in education for seven years, I've worked in many learning centers and preschools across the treasure valley, including volunteer work at Headstart WICAP. I have a list of references available upon request. I love helping children start a passion for learning that will follow them throughout their lives. Learning should be a fun and exciting experience for your child by playing games, puzzles, singing songs, crafts and reading stories they will love. I take childcare training and education classes through Idaho Stars program as well as studding early childhood education college courses. In my spare time I enjoy spending time with friends and family, backpacking, camping, reading and planning new curriculum.

I am looking forward to hearing from you and meeting your child!
