

Lost Large brown mix breed looks like a griffon (Nampa ID)

Location **Idaho**
<https://www.genclassifieds.com/x-679038-z>

We are missing our baby. He is a lab mix dog large brown. He looks like a griffon dog he however is not that breed. He is missed very much has been gone for a month now. There are two little girls who are missing him very much and two other dogs who are having a hard time without him. If you have him and decided to keep him please please let us have our baby back. We all miss him very much.
