$900 / 2br - Bailey Island Maine coastal waterfront cottage (Bailey Island Maine)

  BAILEY ISLAND is one of Maine's well kept secrets which is located just east of Portland on an island which is connected to the mainland by the historic Cribstone Bridge. Our turn of the century, (2 bedroom cottage w/3 double beds on 2nd floor) is ideal for a small family or 2 couples maximum. Bailey Island is approx. 2 1/2 miles long and offers summer vacationers a quiet place to relax and enjoy the salty air. On the island there are restaurants, gift shops, churches, general store, boat cruises, kayak school, public boat launches and many beaches. We are half-way between Portland and Boothbay where you can take a whale watch cruise. Watch from our wrap around porch fisherman catching lobsters or try fishing from shore or your boat. You are 20 min. from Brunswick, home of Bowdoin College, 35 mins. to Freeport home of L.L. Beans & many outlets, 1 hr. to Portland and 3 hrs. to Boston. Only a short distance to scenic Bath, Wiscasset and the Olde Port section of Portland. Kayak to near-by Eagle Island home of North Pole explorer Adm. Perry, explore Jewell Island's abandon military bunkers and observation towers or search for local pirate treasures as legend tell us.

  A great place for artist to capture one of the areas coastal scenes.

  Sept is best time to rent on the island
