

2 year old cat. Healthy. Luxorious skin) (Fords, NJ)

Location **New Jersey**
<https://www.genclassifieds.com/x-679103-z>

His name is Lolo the Silly Boy (I call him Lolo, Silly, or Silly Boy) Had him for 2 years... But due to expenses, allergies in the family, etc. We have decided to give him away.

Looking for serious owners only. Preferred if you had experiences with cats before.

If you are serious, and looking for a loving cat, please email me.
He is shy, but extremely friendly once he gets to know you. He loves to be petted, and will rub against you :) His skin is very, very smooth. His skin has been complimented by virtually all people who touch him for the first time. Please make sure you use the Furminator on him at least once a week, as to prevent furballs. He does build up a good amount of dander.

Note- he does scatch some surfaces (like our dining room chairs) so please train him if you have expensive furniture.

Up to date on all shots, just had his yearly check-up a few months ago, and has no fleas.

Email for more info:

I will send pictures of him. We also have a lot of wet and dry food, Furminator, scratch lounge, unused litter, etc. Please also tell me why you would love to have Lolo. Again, I would like a serious owner who

either has had experiences with cats, or at least did their homework on proper cat care.
