Yes, that is a lot of homes.

The right home is there for you!
Respond to this posting and I will email you a link of all 300 listings.
If you can give me some specifics I can truncate the list to your needs.

Tell me if you require 3 bedrooms or 4.
Some families do need 4.

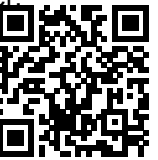

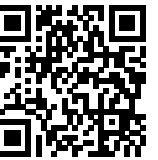

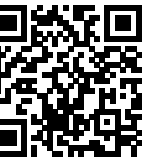

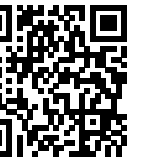

If you prefer the west side or the east side that would eliminate a lot of unnecessary listings.

Most importantly is the price.
Let me know the price range you are looking and I will tailor the list to only show those listings that match your needs.

Or maybe you are looking for a condo/townhouse.
There are over 100 condos listed.

Just respond to this email or you can text my cell

The more specific the better
