I have recently helped three buyers find a new home in Manchester.
Two of the homes have been single family while the other was a duplex.
I know I can the right home for you!
Single family homes typically start at 180k while condos start at 100k
The are some lower and many more higher.

The attached pictures are ones I sold.
Let me help you sort through the maze of properties you like and only show you the ones that fit your needs and desires.

Call or text my cell phone.
It is always the best way to get in contact with me.
