Hi,

Are you looking for a private studio to get tattoos done in Washington Heights and or Inwood?

Do you need a lot of work done i.e. touch ups, cover ups, custom, new, etc?

Looking for a licensed tattoo artist with a light hand, takes their time in a no rush casual mellow environment with sterile equipment, tattoo table, stencil machine, etc, etc?

Drop me a line and let me know what you have in mind. I will give you a fair price and should you become a loyal client I offer great specials to those deserving of incredible deals. I am looking for those that need a new talented, smart and friendly tattoo artist.

Let me know what you have in mind.

I may be open to coming to you. It's on a case by case basis and TBD.

Thank you.
