

Looking for a pool contractor for Benson (Benson, NC)

Location

North Carolina

<https://www.genclassifieds.com/x-679223-z>

We are based in Wilmington, NC but have a property in Benson NC with a pool. I have called many places in the surrounding areas and no one seems to want to go to Benson or won't even call back. It is a residential foreclosed house with a neglected pool. Need bid to initially clean and then service it until it is sold.
