 Email us at

and we will give out our number and see how we can improve your computer.

Free pick up and drop offs, at affordable prices

We do the following?

Virus Removal & PC Tune-Up Service

Unwanted programs, malicious software, viruses and dust can all lead to slowing down your computers' speed, a very long wait to boot into windows, and a barrage of unwanted popups while you're trying to work.

Our virus removal and tune-up service includes:

- Scan for malware, viruses
- Remove spyware, unwanted programs
- Defragment for better performance
- Malicious scanning and clean
- Speed up your computers boot time
- Get rid of unnecessary background processes
- Physical clean of inside your system & dust removal

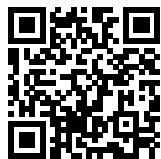

Computer Repair

Broken screens, computer laptop will not boot. Just get a Back screen or no signal, computer runs slow or does not respond quickly, freezes or crashes during use, Colored line across screen or screen
