Hi my name is ruby, I am a certified caregiver. I am looking for potential clients of my own. Male or female. I am very experienced with elderly and disabled. This would be a in home service. I can give medication. And I do know how to work lifts and if needed my husband can help he has helped with disabled and the elderly as well. we can run errands, to Dr.s apt.s, clean house; you name we can do it. Lots of flexibility! We are honest and reliable. We would love to help you! Please fill free to call or text or email thank you for!. :)
