

## **Sportscar Model Needed (Cleveland suburbs)**

Location **Ohio** https://www.genclassifieds.com/x-679304-z

Ok, honesty first. I am not a professional photographer but have a pretty sweet sportscar that would look great with a bikini model standing next to it. You, must look great in a bikini, experience is optional and prefer to be paid cash at the end of the shoot. Include an accurate description and send a pic if you like. We can exchange real emails if the pics will not go through. Put your favorite bikini color in the heading so I can avoid the spammers.!
