

Male Veiled Chameleon (Mustang)

Location **Oklahoma**
<https://www.genclassifieds.com/x-679322-z>

I have a 12 month old Male Veiled Chameleon. He was wild caught in Florida and has been vet checked. Very healthy but not friendly, would be a display only pet. I am looking for a forever home for him for someone who is familiar with chameleons and has the correct housing. Only looking to rehome due to employment change. Asking a rehoming fee of \$50 (negotiable) to make sure he goes to a good.
