Greetings!!

I am seeking a craigslist poster and PT personal assistant.. I need someone to post properties for me on craigslist, and a few other sites, on a daily basis. If this job description sounds interesting and viable to you, please contact me when you feel you are able to begin posting. The only requirements are a computer, internet access, and a phone for communicating texts. Do not contact me if you are not available to start the job right away. I will be paying a minimum of \$250 every 2 weeks, based on production. You can reach me at the number listed. [text only] The best way to reach me is by text. I rarely answer calls most of the time due to my work. Please follow up by texting your e-mail as well as we will communicate that way too.

This can lead to more work with the right candidate. I am based on the West coast, so take time zones into consideration. Thank.
