Hi, I love dogs! You will not find a better person that will take care of your dog than me. I usually have a good way with dogs and dogs tend to love me, everywhere I go. I've walked up to dogs where the Owner's have said, "Normally the dog will not allow someone to touch them," and I've just been able to walk up and pet them as though we were old friends.

My services include: dog walking (half hour, one hour, 1/2 day walks), dog washing, overnight sitting.

If interested, just reply to this post and tell me about your dog, what services you are seeking, rate/s are competitive,.
