I am looking for someone to come clean my loft. I live alone in a 720 sq foot loft in the Third Ward and have no pets. It is a brand new loft, I am the first person to ever live here, and I am very clean myself. I have one restroom, one bedroom, and an open area that includes the living and kitchen in one room. It should not take more than two hours at most for one person to clean; I've had it cleaned before . I'm not looking for anything super fancy, just a good cleaning once a month. I work weekdays until 5PM and am free on weekends.

I WOULD LIKE TO MAKE THIS MONTHLY IF.
