My roommate and I are in search of another person to fill our apartment. It is a three bedroom apartment, with a porch. Rent would be \$750 a month, all included (heat, electric, Internet, trash). There is currently no off street parking, but that will change in the next few months, there is ample on street parking available though. The room comes with a dresser and a bureau, the rest of the apartment is fully furnished.

I do a lot of baking so if you like baked goods, this is the place to be. (pies, cakes, cookies, etc.)

We are both currently in our senior year at Champlain College so not a party house.

With us live a hamster named George, a guinea pig named Biscuit, and a husky named Jack.

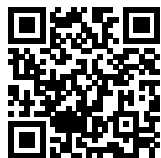

Spam is the worst part of CL the code word is apple pie, email me for a contact number if you have questions or want to come see the.
