Its not long to the 2015/2016 ski season, our ski share house is already gearing up for the next ski season. Our ski house is only 2 miles from the mountain and we are only 1 mile from the restaurants, you can see both the mountain and the access road from the inside the house (or from the deck if its not too cold). The ski house is not overcrowded, while we enjoy having people in the house but aren't looking to overfill it. A half share is \$1000 and guarantees you a bed every other weekend, full shares are \$1,900. We are a group of outdoor enthusiasts that love the outdoors, winter sports, especially skiing and snowboarding. We enjoy a no/low drama environment, as we all want to relax and enjoy our time in VT and enjoy the winter fun.

House Schedule:
