Meet Ms. Jazzy Jo, another very SWEET and LOVING Female Rottie. She comes very pre-spoiled and is almost ready for her new home. I have lowered his price because she has a 1/4" overbite. Good thing is that the bottom jaw grows longer so by the time he is an adult you might not be able to tell it. Jazzy Jo is registered with AKC and come with a 4 generation pedigree, complete vaccination record and has already been Micro Chipped. (505) 386-26
