I have two 1996 formula three snowmobiles, one runs and is in good shape the other is just a parts sled that had an internal fire, wouldn't take much to get that one in running order or just use as a parts sled would like to get \$1,200obo for the pair, and I also have a 2000 Mxz 700 for sale, a connecting rod bearing went out, jugs are in good shape, pistons and carbs are fine everything is there, just looking to get rid of the sled, make an offer the other is a 1995 formula ss 670 red in color runs good, the body is in rough shape but still a good running sled make an offer on the two parts sleds. May have a few other skidoo parts for them also. You can reach me at
