

## Need the rim joist of my house sealed (Cheyenne, WY)

Location **Wyoming** https://www.genclassifieds.com/x-679605-z

I need the rim joist of my house sealed. Looking for someone who has experience doing this. I have the materials, just need estimates to have this done. Not a very big crawl space and I can't afford to pay much. I might have other work that needs to be done too. Thank
