Have people said to you "have you ever played Santa Claus?" or are you currently an experienced Santa performer?

We are Santa For Hire, the original and largest talent agency in the U.S.A. who specialized in booking REAL BEARED Santa Claus actors throughout the U.S.A. and internationally.

We have openings in all 50 states, internationally in China, Australia, London, and get over 3000 requests every year for Santa Claus performers.

If you are looking for part time parties, or 8 hour a day 5 days a week gigs, we can definitely keep you busy this Christmas season.

Our history:

Since 1999 we have placed our Santa actors at some of the best events. We work with private and corporate parties, T.V. spots and commercials, magazine ads and photo shoots, National Malls (have you seen a Santa in a mall before? Odd are they are our Santa) and much more.

Please reply with a resume and 2 hi resolution photos taken THIS YEAR (preferably in a Santa suit). If

you have never played Santa before that's OK. Email us for all the details.

Subject to background check and must be a U.S. citizen.  
 Please forward to us your own.
