Do you LOVE jewelry and have a passion for fashion? Are you age 18 or older? Do you also LOVE social media???Why not combine your loves and turn them into FREE jewelry, Gift Cards, Coupon Codes or other great perks?

I'm looking for a few active Facebook users to help promote a small jewelry company by spending time on Facebook. You don't have to have a ton of friends to participate in this opportunity, and you'll never be asked to sell anything.

This is a great opportunity for stay-at-home moms, college students, part-time workers and anyone else that has a few extra minutes during the day. Please note that this is not a paid job. It's simply an opportunity to earn FREE jewelry, gift cards, coupon codes or other great perks in exchange for spending a few minutes a couple times a week interacting with a jewelry brand on Facebook.

Interested in learning more? Send me a quick message and let me know a little bit about yourself. Please include the following information:

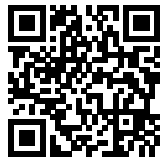

- How often you log into Facebook (daily, weekly, monthly, etc.).
- What your favorite piece of jewelry is, and why.?

Thanks!
