Hello,

Just moved to the area and would like to start up a group to partake in short films and or musical type films. At the moment have completed only a model show that was shot in Stuttgart, Germany as far as filming is concerned a year and half ago, as I am just a beginner but have a big drive to get creative and am very open to ideas from others. Would also like some help to finish up an unfinished musical film that was started but unable to finish while also in Stuttgart. Even if you never have done anything thing before but are interested then feel free to contact. This is one hobby that I enjoy especially when brainstorming with others.

So anyone is.
