

COMMERCIAL DOORS AND HARDWARE INSTALLER (Phoenix)

Location **Arizona**
<https://www.genclassifieds.com/x-679706-z>

We are looking for a commercial Installer

Essential Duties

Responsible for multiple tasks involving the take down/repair of old doors/equipment, installation of new doors, operators and equipment and multiple service categories on doors, operators, and associated equipment.

Loading/unloading trucks, staging/pulling orders and other materials which include frequent bending, kneeling and lifting.

Locate, check and verify the accuracy of the product being loaded with load requests, product specifications, customer orders, customer sequencing, sizes, piece counts, or other information necessary.

Ability to lift 80 to 100 pounds above shoulder height, consistently, and occasionally higher weights as required, daily climbing of extension and step ladders.

Valid insurable driver's license.

Strong team skills are a MUST!

Evaluate appropriate door and service requirements for each job.

Establish the needs of each job and document the full installation/service needed. Determine if added work needs to be performed and measure needed to assure approved installation product.

Alterations, construction modifications and obstructions must be noted before each job is to begin.

Documentation of the work to be performed is presented to the customer for approval and acceptance.

Qualification:

A minimum of a high school diploma or GED is required.

Ability to read and clearly write in English.

Valid insurable driver's license.

One year of previous experience preferred.

Max resume to apply to
