At Brooks Automotive, we take pride in providing you the best quality transmission repair in the Metro Atlanta Area. Our Automotive repair shop does not just do transmission repairs. We also offer in house transmission rebuilds and installations. Transmission repair at our shop is performed by specialists who have the expertise to service both automatic and manual transmissions on all vehicle makes and models. Our automotive repair shop offers you first-rate service at a price you can afford, so consider us your local dealership alternative! In addition, our shop is proud to offer a military discount to the men and women who have so bravely served our country.
