Hello,

My husband and I are looking for a house/apartment/condo for rent for our family (us and 3 small children). We also have 2 miniature dachshunds that are crate trained. We have been searching for housing and coming up short because of our bad credit. we are currently working on our credit. We have awesome rental history, no judgements or disputes. We have a ton of references. We have very good income. We would not want to go over \$1,200 for the rent. Over \$1,050 we would prefer to have a utility or 2 included. Thank you and God.
