My name is Bella. I am a golden retriever/great pyrenees mix. I was training to be a service dog, for my disabled owner.

A sad turn of events led to me being rehomed without my Mommies knowing (someone told us about a Craigslist ad that was posted last November/December-ish, which is why we are here now). Please, if you have any information, or know where I am, let them know. They just want to know I am happy, safe, and loved. They miss me very much. I was going to be my Mom's lifeline.

These pictures were taken about a year ago - I still had puppy!
