I am a photographer out of Little Rock, and I will be in the Fayetteville area this week. I have a spot open Thursday afternoon, and to fill time I am offering free shoot for model on Thursday 09-10-15.

If you have interest in doing an outdoor shoot Thursday afternoon, please reply with a couple of pictures, and let's bounce some ideas off of each other.

As long as I can use the images for my port, you will get all images on a CD to use as you please.

Let's make some.
