Sweet American bully puppy. She is about 5 months old. Has all her shots. She is a great dog. Loves her baths and laying outside in the sun. Unfortunately her and our other puppy are not getting along and that is why I need to find her a new home. She does great with adult dogs. And she has been around toddlers her whole life. She has been around cats a few times and seams to not pay attention to them. I bought her from a breeder in Californian and paid 1350 for her I'm asking 500. She will come with all of her shot records from the vet. And her kennel bed harness leash bowls and some food. Please text me if you would like to meet her or know anymore about her my name is Lauren and my number is
