Empty Balloons and Shhhh World Inc is looking to cast four women for new dance music video. Must be lean, athletic type, with exotic features. Edgy looks preferred. Must appear to be between the ages of 21-30, and able to portray many different looks. All ethnicities are desired. The video is a short motion picture soundtrack for Producer Craig Sherrad's new visual mix. "Fuzzy Dancer" released under Dnaut.

The motion picture soundtrack features four female friends enjoying a dangerously wild night on the town crashing a house party, and causing some trouble. All while dancing. All of the characters have a tough girl/ sultry persona. Dancing will be required. No choreography needed. This is a visual piece that focuses on close ups and wide shots. No dialogue.

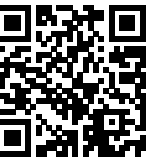

Roles looking to cast:

1. The Aggravater:

This character is seen driving the car, checking into the hotel with the Selfie Queen. She is the mastermind behind the plans for the evening. Pumps the gas. Tough, but cool persona. Dances as she pumps gas. Wears a permanent resting bitch face. (Only smiles when she is dancing and when trouble breaks out)

2. The Selfie Queen

This character rides shotgun with the aggravater. Loves taking pictures. Constantly seeks male attention. Checks in the motel with Aggravater. Goes in gas station with the Raver. Dances in the gas station. Recruits guys to join them. Plots to steal wallet. Can be seen dancing, flirting, or making out with the
