A sweet little old dog wandered into my yard today. Black and Tan with a grey muzzle, looks like maybe a miniature Doberman pincher? No collar or tags. I'm not sure if it's male or female yet, haven't gotten that personal, lol. Seems cautious of strangers but not scared. Is currently laying in my yard drinking some cool water and eating my cats food. My husband is severely allergic to dogs so it can't stay with us long. We're a few blocks from the Milpitas library. I hope this baby gets to go home to its.
