

# Seeking Young Female Aspiring Dancers Straight Out Of High School (Los Angeles)

Location **California**  
<https://www.genclassifieds.com/x-679977-z>

Indie Label seeking young, aspiring female dancers to build a team around young female pop artist. Applicants should be straight out of high school without particularly busy schedules. No formal training or professional experience required. We are looking for raw talent, a true passion for performing and incredible drive.

This opportunity is most ideal for young ladies who are looking to gain real life experience within the entertainment industry and who would like to develop their skills while building long lasting friendships and become part of a supportive, professional entertainment family.

Rehearsals are not paid and will take place 2-3 times per week. Performances will only be paid when the artist is being paid so applicants must be available for promotional gigs.

Please submit with a current picture (selfies fine) that best displays your personality and style. Include a brief paragraph about yourself, your favorite style of dance, whether or not you would like to try your hand at choreographing routines, your future goals within the industry and why you think this opportunity fits you. Links to social sites are welcome.
