Selling my 2000 Harley Davidson Sportster 1200 with just under 6500 miles. Great for shorter riders, I'm 5'1 and ride it fine. Selling it since I am now 6 months pregnant and won't be able to ride it for awhile, I'd rather it not sit collecting dust. If you have any questions or would like to come check it out feel free to text or call me at 484 nine 4 nine 5362. Located in.
