Location **Delaware**

We have a female ferret in need of a new home. Our financial situation is in bad shape. We are moving in with my in-laws until my husband can acquire a new job. She would come with everything she currently has. Food, Toys, Cage, etc. We wouldn't dream of rehoming her but my in-laws have cats and can't be trusted with Zoe (ferret). Please, if you are seriously interested respond via TEXT ONLY. There is a \$100 rehoming fee that takes care of her and all of her.
