We have a white American bulldog that we need to desperately find a new home. Our financial situation is taking a downward turn. We will be moving in with my in-laws in about 2 months until my husband can acquire a new job. We cannot keep Kane(our bulldog) because they don't trust him with their cats. He has been around all small animals and never attacks any of them but they don't want to take the chance. We don't want to take him to the shelter where he will probably stay for a long time. Please, if you are seriously interested contact me via TEXT ONLY. There is a \$150 rehoming fee which is far less than what he is worth and if we were not in dire straights we wouldn't dream of rehoming.
