

I have 2 openings for children ages 2 - 5 years old.
Hours are 6 am to 5 pm Monday - Friday.

I have nearly 20 long years of Experience. I used to work for Pre-Schools so I have a strong good understanding on how to create a Structured Program for the Kids.

Meals and healthy snacks are provided.

- Days and hours needed
- When you need childcare to start

Any allergies or Special Needs of your child?
