UH RESCUE KITTENS

Location **Hawaii** https://www.genclassifieds.com/x-680103-z

UH Rescue Group has litter of tuxedos (3) and one being all black. Two long haired, two short. They are very sweet, a little shy, but healthy & ready for their new homes. Would like them to go in pairs, but ok if single - must have time to spend to acclimate them to new home. About 10 weeks old. Call 895
