Adjunct professor available as experienced tutor for middle and high school-aged students.

I have worked with students in a variety of subjects, including:

- Essay writing/English/English Lit
- AP test preparation
- Art History
- Spanish language
- Special/long-term research projects
- College admission essays

I hold my Master's degree and am an adjunct professor in English. As I work independently, I can offer flexible rates and scheduling. Please email with any questions. I am happy to provide references upon request.

Thank!
