My name is Tee. I am a professional singer & songwriter. I am very creative in my vocal delivery that helps to bring out the absolute best in every song. I now offer my vocal services through background singing. For only \$275 you will receive a full choir sound or basic 3 part harmony backing vocals for your song( up to 5 minutes). You will also receive professional, courteous service from start to finish! Contact me to get your project started or receive sample work. You may also contact me to get more info!
