Music Development Group is seeking local bands / or singer songwriters for Demo and possible Development deal. Offering financing towards the recording of a professional demo (with our producers/engineers) as well as shopping around to labels.

Rock, alternative, singer / songwriter genres. Must be CLEAN WITH A POSITIVE MESSAGE. We're not interested in having any say in your music or art. We believe in free creative expression on the part of our artists.

Must be touring or able to tour to support any demos or singles recorded. We also provide funding to finance tours.

Please send:

- 1) link to your website/FB/soundcloud/bandcamp, etc
- 2) brief description of your band and why you think you'll "make it"
- 3) any recordings or videos of songs or live recordings

If you believe your band has potential to make it, but need the funds to get your message and art out, email me before we start working with other bands!
