Hello! I am a single father of 3 children (ages 12, 10, and 8) searching for a nanny to assist on Monday and Thursday afternoons while I am still at work. On average this is a 3 - 4 hour time committment starting at 2:55 pm (picking the 8 & 10 year old up from elementary school) and concluding by 5:55/6:55 p.m. each Monday and Thursday evening. My children are good and well mannered. If this opportunity is of interest to you and would fit into your weekly schedule please respond if you would be willing to talk more about this nanny/care-giver /driver opportunity.

Thank you for your time and have a great!
