I need some help working on a few cars. Nothing major, stuff like oil changes, plugs, breaks & break fluid changes, maintenance type stuff. I have all the stuff necessary to complete the work.

I am 72, disabled, & on a fixed income I can't afford to take these cars to a shop and pay shop prices.

If you like working on cars and have some experience I would like to hear from you.

Some type of compensation for time and gas can be discussed.

DON'T WASTE YOUR TIME. I SENT THIS IMPOSTER AN E MAIL LAST WEEK ABOUT THE JOB. NOW MY INBOX IS FULL OF SPAM. JUST ANOTHER SPAMMER. NOTHING TO FIX, NO PAY, JUST ANOTHER CL.
