

# Need someone to sell furniture on Craigslist (South of the River)

Location **Minnesota**

Looking for someone who has experience selling furniture on Craigslist. Must have ability to store items for sale. Have ongoing need to sell living room sets, dining room sets (not mattresses), bedroom sets, etc. Ideally would manage items on a spreadsheet, too.

Willing to pay 25-30% of whatever items sell for. Please send email with your experience and capabilities. Thank.
