We host events in Omaha, Lincoln, and Columbus for professional gentlemen 35-60. Typically involves a Texas holdem tournament and/or a major sporting event at private venues with security provided. We have an immediate need for additional women who can work on weekends up to twice per month, but just depends on when you want to work. You must look good in a bikini, have an engaging personality, be very uninhibited, and comfortable taking directions. We cover all travel expenses, pay travel time, and benefits if you work frequently.

Please email a couple encouraging photos of you. We have only a few evening interview spots open through Sept. 17, so would need times you could be available in Columbus for interview. Also send a cell number and a real email address so we can communicate directly and.
