

Ladies Why Is This Post Different Than Other CL TALENT Posts (Sugarhouse)

People who place advertisements in the "Talent" category of Craigslist are generally interested in only one thing: exploiting a woman's physical beauty for their profit.

They have many different means and approaches for this. This post is different for this reason:

I DO NOT EXPLOIT ANYONE...including women. I work in partnership with others to create a mutually beneficial, productive and professional relationship.

Yes, I am looking for attractive women. Yes, you WILL be able to earn up to \$600 per day. Here is what won't happen:

You won't be having sex.

You won't be taking your clothes off.

AND...most of all,

You won't be exploited or taken advantage of in ANY way.

The work is in Salt Lake. This post is REAL. I am purposely avoiding details related to the work because many of my posts on Salt Lake Craigslist have been deleted for reasons that are unknown to me. If you'd like further information send a clear, full figure photo (with clothing please) and your phone number. I will respond to all inquiries. Thank.
