Are you looking to provide your middle high school student with extra support this school year? Are you a college student seeking one-on-one instruction to improve your academic performance?

Let's work together to create a program that meets your specific goals. I cater to a wide variety of tutoring needs, including organization and study skills, standardized test preparation, college admissions support, and content-specific instruction.

Relevant professional experience:

- 2 years as a professional SAT, ACT, and GRE tutor
- 2 + years as full-time high school math teacher
- Many joyful years of working with teenagers and young people in a variety of contexts

I will gladly share my tutoring philosophy, resume, and references with anyone interested in learning more about this opportunity. I look forward to hearing from!
