Ward's Planting, established in 1990, is a fully insured family owned outfit.

Our professional planting service provides expert installation of Annual/Perennial flowers, trees and shrubs. With years of commercial and residential landscaping experience, our planting staff has the knowledge and the resources to make sure that your plants are installed properly. Proper installation is critical to the success of any new plant. We choose all of our plants with care and we stand by our work.

If you need to upgrade an existing bed or you'd like to start from scratch, Ward's Planting can help you. Need to clean up your property? Need regular maintenance on shrubs or flower beds? Our team can handle the job. No job too big. No job too small.
