We are looking for mature individuals who have the skills to join our team of caring and compassionate caregivers throughout Maricopa County.

Caregivers are responsible for companionship (conversation, planning activities, medication reminders, maintaining a safe environment, hospital sitting, etc.), homemaker activities (light housekeeping, grocery shopping, running errands, meal preparation, etc.), and personal care (bathing, grooming, lifting, etc.). We need people who are available, dependable, and have a warm heart to share with others. In return, we offer flexible schedules, competitive wages, and an opportunity for you to make an incredible difference in someone's life.

Our mission is to exceed our client's expectations. As one of our caregivers you will have the opportunity to provide an uplifting smile and helping hand to our clients while increasing their independence and improving their quality of life.

Our caregivers must:

1. Be PASSIONATE about caring for people
2. Pass a national criminal background check
3. Test negative for TB
4. Be CPR and First Aid certified or be willing to get certified
5. Have reliable transportation and proof of auto insurance

If you fulfill these qualifications and want to be part of the Tender Heart Home Care team please reply this email with your resume to begin your exciting journey:
