I'm looking for someone who can do cornrows. I attached an example of what type I need.

This may be a once-twice a month kinda dealie.. if I find a reliable- proficient stylist. Its also a mini-interview for my photography business. I'm a photographer and always looking for new hairstylist for my photo sessions. So here is the deal

This pays 15\$ but you have to come to me.. Please don't reply if you have problem with price or location. Feel free to bring whomever you like and the chicken wings are on me.. wait is that racist.. No white folks eat chicken too.. so yes the wings are on me :)

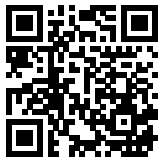

Peace
