Dalton Jefferys Tree Co. is offering amazing prices on Norway Spruce and White Pine trees. Every tree we plant is specimen grade (very dense branching, with a tapered Christmas tree shape). We grow every tree that we plant right here in Clermont county. All Trees are fresh dug to order, we dont keep anything in mulch beds or pots. Fall is the best time to plant a tree, the new growth has hardened off and watering tends to not be an issue. Get your orders in now, we get very busy in autumn.
